Comments	This is the best thing to happen to KIdlington in years. I am all for the stadium and all that goes with it. I will be able to walk to the stadium as will a lot of people. This must be better for the environment as so many of residents are concerned about. As for Stratfield Break it looks like they need all the help they can get, by the state of it . Think of the money they will be saving because of the generosity of Oxford United.
