Comments	I live near to the site. The traffic will be interrupted. The parking will become difficult. It happens at Kassam all the time. It is a commercial development on a green belt area. The noise will be a nuisance. Please don't put the calls from fans to build this monstrosity above the locals wishes. Most of them are not local. The fans want somewhere to go and shout. They don't care how much trouble to residents they cause and the businessmen are only interested in the money. Please don't ruin where I live for a relatively few vocal supporters.
