Comments	Very concerned about traffic problems ,closing of the road has been mentioned,being able to travel around the area without difficulty ,influx of problems with anti social behaviour. I used to go to headington ground the manner . I remember Kassam being built was going to be this fantastic ground solve all problems for Oxford united and now wanting a new ground in the Kidlington area what can I say.

the Kidlington area what can I say . Wildlife well they are being pushed out into the built up areas because football comes first and housing. Progress really.
