Comments	I am totally against the building of the football Stadium on the Triangle in Kidlington In my opinion it will create chaos in the whole of Gosford and Kidlington not only on match days but also on the other occasions when the building is used for training session and all the various Clubs that will use this proposed building.  We will be trapped by the traffic chaos and emergency vehicles will be delayed, residents will

not be able to park outside their homes or access their driveways - yes supporters will still drive their cars to games as cheaper than public transport.

For years various Councils have been fighting to save "our Gap" so:

Please let us keep this small area of green belt and not add to pollution and noise as so

many local residents

DO NOT WANT THIS STADIUM TO BE BUILT.
