Comments	<ul> <li>Any regular road closure will result in traffic chaos with a huge inconvenience for those using park and ride and the rail station</li> <li>With so few parking spaces provided in the planning application, major parking problems in the area will result, affecting park and ride spaces, Sainsbury's carpark and residential spaces</li> <li>A commercial development of this size is very much at odds with the local plan and planning policy for this area</li> <li>What guarantees are in place to prevent the occurrence of the problems associated with the existing Kasan stadium and the long term leasing agreements between the holding company and the club</li> </ul>
