Comments	I am opposed to the stadium being built on the Triangle. On match days the traffic would be awful, and road closures would cause chaos. Supporters would leave their cars all over the place, just to be close to the stadium. Noise levels would be high, and would easily travel to local housing and Gardens. For a greenbelt site, this development is far too big, and the impact on local wildlife habitat would be devastating, lost forever. This site is totally unsuitable for a large stadium.
