Comments	As a Kidlington resident of 10yrs, I would welcome any additional community facilities in the area as there are not many. A new ground on the triangle land would be a fantastic addition to the community of Kidlington and it will also bring many job opportunities for young people. The piece of land now known as the triangle has always been a nothing bit of land (easier to see when on the top deck of a bus) and would remain that way had OCC not been very supportive of the football club by agreeing to lease it to OUFC. CDC should jump on this	
	opportunity.
