Comments	I do not support the planning application. This is because:  - the intended commercial development of this size and scale is contrary to the Local Plan and planning policy for Green Belt sites  - it will destroy valuable biodiverse wildlife habitat for animals, birds, insects and fauna  - make a significant contribution to increasing the overall heat of the city due to loss of cooling green zones  - it is contrary to net 0 legal targets  - it will generate regular road closures which will cause traffic chaos and increased air
