Comments	I believe that the majority of supporters will travel to the games by car and haven't seen any plans in place that will make other travel options likely. Therefore, the area will be a no-go on match days. Also, kidlingtons roads will become a car park for fans, inevitably leading to more restrictions for residents. This is not the place for a stadium of this size but the fact that there are no other proposed sites suggests that the decision has already been made and local objections will fall on deaf ears.
