Comments	I want to register support for the planning application for Oxford United in Kidlington As an elderly disabled person the only real pleasure that I get is to go and watch Oxford United during the season. It gets me out of the house and I can socialise with other supporters I feel that this will be an excellent location with the great transport network that is already i place which means that although further from my home it will be accessible for me. I therefore whole heartedly am in favour
