Comments	<ol> <li>This area is far too small for all the planned buildings</li> <li>The car park would not accommodate thousands of cars.</li> <li>Road closures would result in huge jams on the already congested roads</li> <li>Using the park and ride car parks are not an option as these are all needed with the proposed traffic reduction filters in Oxford City</li> <li>This is not just Green Belt land - it is a nature reserve and ancient woodland area - high priority to preserve as it is the home to a vast variety of insects birds, animals plants and trees.</li> <li>Who is going to pay for all the extra policing with matches every week and other events</li> </ol>
