| Comments             | It is absolutely vital this stadium is built for the long term future of OUFC, our current lease on the Kassam stadium is nearly up and after this we will be a homeless football club. OUFC means so much to so many people across Oxfordshire, with 34,000 supporting them at Wembley stadium a few years ago. I urge you to support the building of the new stadium.  |
