<b>Comments</b>	<p>I am writing to state my full support for the Oxford United stadium project and planning application.</p> <p>I am a lifelong fan, who has been watching Oxford United since the mid 80's, as a child, going with my father and grandad, and then as an adult taking my elderly father and grandad to games. Both my father and grandad have been watching OUFC since the 60's, the club has been a big part of our family for generations, and many wonderful (and painful!) memories have been shared during that time.</p> <p>The end of our current lease at the Kassam Stadium in two years time, and our impending resulting homelessness is a very real threat to our clubs existence, and is a huge worry to me, my family and many tens of thousands of families and fans around the county, country and worldwide, and only the successful completion of a new stadium can secure the future of this wonderful football club, to continue creating memories for many more generations of fans.</p> <p>The stadium project will not only allow Oxford United to be a successful and fully sustainable football club and company, but will also provide thousands of job opportunities within the community. It will also provide the club with much improved facilities to allow the club to continue to offer the wonderful community services it has always provided to the whole Oxfordshire community, both within and outside of the football and sporting communities.</p> <p>It will also be a pioneering project in building one of the, if not THE greenest football stadiums in the country.</p> <p>Oxford United Football Club is a huge and positive part of the entire wider Oxfordshire community, and the club deserves to have somewhere to truly call home, and to continue to create the wonderful lifelong memories it has always provided, and to continue be the integral and positive part of the entire Oxfordshire community that it has always been.</p> <p>I implore you to grant planning permission to allow this great club to continue to exist and to provide the Oxfordshire sporting, charities and wider communities something to be truly proud of for many more generations to come.</p> <p>Many Thanks Phil Chambers</p>
