Oxford Utd has been, and continues to be a huge part of my family's life. When we were very small my parents took me and my brother to the Manor Ground to watch them and we've been going ever since. My brother now takes his son to the games and he absolutely loves it! Ask him anything about any of the players and he'll know the answer! The highlight of his week is to go to the game and have his photo taken with the players!

My brother in law used to play for Oxford Utd and although he sadly passed away 2 years ago he will never be forgotten by the Oxford fans.

Oxford needs its football club and the football club desperately need to move to a new ground.
