Comments	I wish to add my support for the building of a new football stadium at the triangle near kidlington. It would be a great benefit to the local area, for young people, schools and to have a future for our great club oxford united. It would benefit local employment, pride in our city football team. The university has so much influence in this town it would be great to have our own sports stadium to be proud of.	
	I support the planning application. Alan Bennett.
