Proposal Erection of a stadium (Use Class F2) with flexible commercial and community facilities an uses including for conferences, exhibitions, education, and other events, club shop, publing restaurant, bar, health and wellbeing facility/clinic, and gym (Use Class E/Sui Generis), louse Class C1), external concourse/fan-zone, car and cycle parking, access and highway works, utilities, public realm, landscaping and all associated and ancillary works and structures Case Officer Laura Bell Organisation Name Address Type of Comment Type I support the new Oxford United stadium. I've recently moved to Radley and would love be able to travel to games on the train and not need the car like many others in the area Without a new ground we may not have a club and for thousands that would have a devastating effect on lives and mental health. Live sport is a great way to relieve stress worries of daily life and escape the day to day troubles we all have. Not having a professional sports team in a Oxfordshire is unthinkable.
