Comments	Whilst I no longer live in the Cherwell District, I have a strong attachment to the area as I was resident there for 20+ years. A new stadium is vital to secure the future of Oxford United - a team that I, and many other 'exiles' love, and provides us with a strong connection back to the county of Oxfordshire. A world-class stadium, and associated facilities, would be an asset to Cherwell, the city of Oxford and the wider county.
