Comments	We are at a pivotal moment in the history of Oxfordshires only league football club, if the plans are rejected we will see millions of pounds in investment lost.	
	The football club has been a huge part of my life and I recently took my son aged 2 and my daughter aged 4 to their first game.	
	I think encouraging kids to get into football is hugely beneficial to health and well being and I am really looking forward taking my kids to the new stadium.	
	The owners of the football club are willing to put huge amounts of money into Oxfordshires economy creating jobs and providing excellent sports facilities for all, please support this application.
