Comments	I feel this stadium would be hugely beneficial for the village and Oxfordshire as a whole. Go to Kidlington and you see a series of boarded up shops and vacant premises. There's a lack of facilities in the village for children. A new stadium will be in more people and more business to the village. The improved sporting facilities will be a huge benefit to local children. Oxford United are the only professional football club in the county. To lose this club, would be a huge blow to Oxfordshire. All efforts should be made to protect the clubs future.
