Comments	Firstly why cannot local government stipulate that "the existing Kassam Stadium shall remain as a sports venue and no commercial redevelopment shall be permitted"? That way, Oxford United and the existing owners will have to come to terms for the football club to continue its tenancy (or purchase). Secondly approval would mean losing a valuable green belt site and I am at a total loss how any council would consider this to be acceptable. Thirdly match day activity will inevitably mean Kidlington residents being unable to easily travel in and out of Oxford thus impacting on trade, family gatherings and social activities.
