Dear Sirs,

I support the building of the New Oxford United Stadium. The City of Oxford, and Oxfordshire need a Professional football club. No matter what fosb say this is a well thought scheme and needs to be built. As Oxford United needs a proper stadium to call home. The world cannot stand still because of a bunch of Nimbies , who do not even live in Oxford / Oxfordshire .No matter how much fosb would like it too. If the stadium is not built. Almost certainly Housing Developers would be looking at The Triangle to build housing on. I know which I prefer, Oxford /Oxfordshire and Oxford United needs this stadium to be built. YOURS SINCERELY
