Comments	I just don't think this is a suitable location. It should be in Oxford not Kidlington. It will totally change the nature of Kidlington. 1000's of people converging on the site will cause excessive disruption. Traffic congestion. Whatever people say there will be people attending the matches and other events at the stadium who will enter Kidlington - park there. Use the pubs, shops. Sainsbury's is just over the road. It will totally change the nature of the village It should stay at Kassam, or a location in Oxford. They should work harder at doing that. I is OXFORD UTD. Kidlington is not Oxford.	e e.
