Comments	I strongly support this application. This stadium is essential for the county's biggest football club to continue to survive and strive within Oxfordshire. Oxford United FC is a staple of Oxfordshire and many thousands of residents are devoted to the club and its long term success. The stadium will bring in tourism, enriching the local businesses within Oxford. As well as creating many more jobs within Oxford. The Stadium will also be one of the best in English lower leagues and will create even more reason to be proud to from and live in Oxfordshire.
