Comments	Oxford United play a crucial part to the Oxfordshire community, but also outside of Oxfordshire. In order for this to carry on, I think this new stadium planning permission should be given the green light at the earliest opportunity. I am very much in favour of this planning permission being granted. The football club has put a lot of time, and other resources into this project. I think it really shows. And I hope it does for you too. Thanks for taking my views into consideration. Regards, Ryan Penn
