Comments	The possible road closures would result in serious disruption effecting a ride and the rail station. This disruption exacerbated by frequent proble accidents on the A34 when traffic leaves the A34 at Islip and comes the Concerned of noise and light pollution especially winter mid week game Limited stadium parking would result in pressures on park & ride, Sains spaces The unessary carbon footprint of building a new stadium when one alre The development being commercial is contrary to the local plan and pla	ems, lane closures, ough Kidlington. es sbury's and residential ady exists
