Comments	I was a resident of yarnton for 20 years until recently,I came to live here when my parents brought a pub in Adderbury in 1986 just after the milk cup final and I fell in love with Oxford and Oxford United .I thoroughly support this application, This site has been empty ever since I've lived in yarnton it's out of any residential areas such good links via bus and train .the facilities will bring much more than just match day's experience, ie conference venues ,concerts maybe . A flagship stadium our city deserves , much needed revenue to kidlington a town stuck in the 70s (not being rude)	e
