Comments	I fully support this application. OUFC is an enormous community asset and this is do or die.
	I would also like to see CDC embrace the opportunity to welcome a world class and environmentally friendly facility that will not only house OUFC's men's team, but also allow their women's team the same opportunities. This would be a game changer for women's sport and would be a catalyst to grow girl's and women's sports opportunities in the local area.
