Comments	Completely support this application. Oxford United's contribution to the community has been and will continue to be immeasurable. The club is in the blood of so many families, over many generations, locally and further a field. The community work enhances the lives of so many youngsters, my youngest son was luck to be one of those. For the club not to have a home they can call their own is holding them back, they could determine the community work.

so much more if this application is successful.

The only way to travel to the current ground from Chinnor is by car. The proposed site would enable easy rail travel.
