Comments	I object to the proposed new football stadium in Kidlington. The current stadium is perfectly adequate. Stratfield Brake is totally unsuitable for a new stadium. It is an important green lung in the ever developing North Oxford, Kidlington and surrounding villages. The proposed restaurants, hotel, bars, gym, clinic etc etc would be yet more soulless places for the area and would generate ever more traffic. The traffic, noise, rubbish and pollution will have a very detrimental effect on this pleasant residential area and its surrounds.
