Comments	Oxford is a fabulous city which is keen to move forward this move for OUFC is vital and would bring excitement to the area. prime location next to rail station and A34 from both directions Having a state of art stadium would also bring wealth and people to the area and hope they can enjoy the quality stadium the club and city deserve Local communities would be able to use facilities that would be on offer. Get this stadium project agreed. If this does get agreed, Oxford city will fall behind other cities as we lack quality investment and for things for families to do Long live OUFC
