Comments	I fully support this application for an Oxford United Football Stadium on the Triangle south of Kidlington. Important to have this amenity to balance the excellent provision of arts activities in Oxford. Football so important for physical and mental health for all ages and to promote community at a difficult time. As a Kidlington resident I realise there will be some changes for us to get used to but trust the club/council will ensure all considerations identified in the plan so far will be enacted.
