Comments	If Oxford United are left without a ground ,its not just the team and manager who are left without a job but the wider community which will suffer . Think of the charities etc which which will suffer as well as the youngsters at Kidlington etc who have far from adequate facilities at the moment ,pitches constantly waterlogged etc . This new stadium will give so much more to Kidlington and surrounding area , please give this the go ahead and not let another great football club disappear forever Sue Parsons
