Comments	Oxford United need a stadium the triangle is the only option available ,Oxford cannot loose this very important football team, so many young and old live for the days they can cheer or there team. I have supported Oxford for over sixty years attending the old manor ground as a child, Headington loved having the club there I'm sure Kidlington could soon see what an asset it could become and learn to love having the club on there doorstep. Come on Cherwell give your support Oxford must not be all about the University.
