Case Officer	Laura Bell
Organisation Name	
Address	
Type of Comment	Objection
Гуре	neighbour
Comments	I feel that this development will be to the detriment of Kidlington residents- with light and noise pollution, gridlock roads causing problems for ambulances going to hospitals, people abandoning their cars in Kidlington in order to attend a match - being just a few of the problems. Also the destruction of wildlife habitats and plants will be lost for future generations. I also am worried that this will cause Kidlington to loose it's identity and become just another part of Oxford.
