Comments	I wish to express my support for this planning application, given the importance of the club to local residents and the opportunities provided by the plans submitted. Oxford United is the only professional sports team in the county and plays a huge part in the lives of people across Oxfordshire and beyond. There is no sustainable future at the Kassam Stadium, so building a new ground is vitally important to the club's continued existence. I fully understand the importance of Oxford's Green Belt, but believe a new stadium at the site proposed will bring far more benefits than negatives. Yours sincerely,
	Thom Airs
