This is a critical moment for Oxford United, and for the city. Such a great opportunity to build a world-class facility that will have positive benefits not just for the club and its fans, but for many more besides. I've been supporting Oxford United at the Kassam since my (now ten year old) son started enjoying football, and on this Saturday just gone, my seven year old daughter came to her first game and was hooked. We can't allow this opportunity to pass us by - secure the future of the club and it's long-term home now!
