I was born and bred in Oxford .The club that my family and extended family supports, (some of whom live in the Cherwell District), are delighted to see the plans for their new stadium .

Oxford United is creating a wonderful community hub which will inspire young people, lead the way in health promotion, provide local jobs and investment, and provide world class facilities that reflect our county's world renowned image and reputation for innovation.

The land , effectively formerly wasteland, will be developed sustainably and sensitively and, is situated next to a railway station , which will improve traffic flow for the county. The stadium will be fully eco-friendly. Please approve Oxford United's planning application. Thank you.
