- 1. Far more cost effective and less harmful to the environment not to build a new stadium.
- 2. Better to buy existing from Kassam.
- 3. If new one built what happens to Kassam Stadium. Waste.
- 4. Don't move Oxford United away from historical fan base, Cowley, Headington. Most of fan base prob won't want to 'commute' to North Oxford.
- 5. Massive harm to environment in Kidlington.
- 6. Will create diabolical transport issues in an area of Oxford already at a standstill twice a day.
- 7. Limit to number of home matches guarantees no womens football will be seen at new stadium. Any new plan going forward must be inclusive for women, youth, and other groups outside of OUFC 1st team.
