Comments	Oxford United is a club that brings people together Familys and Friends and i think the new stadium proposal will only drive attraction to Club and City! The club means to much to many people in and around Oxfordshire and without this stadium it puts our precious club at risk of being no longer! This great city and simply not have a great football team and this stadium with only drive the football club forward and help progress them up the league's attracting more and more people into Oxford and promoting our amazing City!
