Comments	Hi, This is a massive oppurtunity to create a fantastic sporting facility for Oxfordshire and beyond. Please be aware OUFC have to leave the Kassam stadium, the option to remain does not exist. The proposed location is fantastic due to public transport connections. I and four members of my family drive to every home game, if the planners approve this we will be travelling by train to every game, a fantatic boost to the environment.  Please don't underestimate how much this stadium means to many thousands of Oxfordshire residents.  Thanks for reading Kind regards Tony Kavanagh
