| Comments | <input type="text" value="I write as a Kidlington resident why are the council not rushing to accept the Triangle as the new home of Oxford United? So close to a railway and improved road infrastructure? Available parking. Not to mention increased employment and added facilities to the biggest village in Europe? The Team itself is going places? MAY NOT get promotion but the massive support for them is evident? You as a council should be honoured to home the top team in Oxfordshire and as before they had 2 seasons in what was division 1 and would have hosted European football too, winning the Milk Cup (unfortunately a ban for English Football teams) Not even connected to them ruined a pay day for UK council which I guess was Headington then! A state of the art Eco friendly Stadium with road and rail facilities in place? Manor, Kassam, Triangle if those 3 venues were now fighting for the ground which is the best Eco choice and Kudos to Cherwell? Please get this sorted soon! Yours "/> |
