Oxford United football club have been a huge positive in my life since attending my first Home game 46 years ago , at the old Manor ground , when I was 9. I have been a Junior OUFC member & a season ticket holder for decades. The club is very much a family affair for the Jones's. My late Uncle was fanatical about the club , my Father who is 81 is still attending as a season ticket holder & has supported the club when they were originally Headington United. My eldest brother Danny goes Home & Away with his son & daughter. My youngest brother , nephews , nieces , great nieces & great nephews attend games Home & Away games too. I have yellow & blue coursing through my veins. It is vital that Oxford United are finally able to sever all ties with the current owner of the ground as Mr Kassam is not a positive addition to our proud Football club. This will only be possible by moving to a new ground where the club will have proper control of its future.
