Comments	I object to the traffic on the surrounding roads especially when a game will be starting or finishing including any concerts or functions which may occur. My concern is that the emergency vehicles frequently use Bicester Road and Water Eaton Lane and they, just like the surrounding residents will not be able to get access to where they need to go. This could be a life or death situation. Also, I do not support the loss of the green belt, the wildlife's habitat being removed from them and the destruction of the vegetation which helps to clean the air for us to breathe.
