I have been an Oxford United fan since the age of 6. As a now 26 year old man, the club has been an integral part of my life over the past 20 years. The club provide an essential service to the communities of Oxfordshire, giving people an escape from the worries and complexities of everyday life.

Oxford United have provided me and thousands of other people all over Oxfordshire with cherished memories, both recent and in the distant past. I still remember my first game that I attended with my father. Oxford United provided us an escape once a week whilst he underwent treatment, and talking about the football allowed us to maintain a level of normality during his final moments.
