Support neighbour

Oxford united need this new ground without it I think we will go out of business please support our only professional football team in our amazing city . I have been an Oxford fan for 55 years and they are a massive part of my life . Unfortunately 3 years I was diagnosed with young onset Alzheimer's and with the help of Oxford United I have set up an Oxford walking football session which they give us there facilities free of charge and we meet up once a month not just to play football but to have a chat with all the members with Alzheimer's and there carers . Without Oxford United this would not have happened please support our football team and grant permission for this new ground.
