Keeping this short but sweet. The only professional football club in the county is at risk of ceasing to exist. Without this application being approved the club are at real danger, which will significantly damage the mental health of many across all generations across the county. The club have pledged to provide many jobs to local community whilst remaining environmentally sustainable. The work that has been put into this shows how the club are trying to make this benefit all parties involved. I encourage you to approve of this application and save our football club. Thank you for your time.
