Comments	I have been fortunate to have had a trial for the club in the 80's and subsequently supported the club, attending matches when possible. I see the proposed new stadium as a wonderful opportunity for not only the longevity of the football club, but communities within the local Oxford area as well as the residents of the County of Oxfordshire to have a facility that they can be proud of. I therefore urge you to support the application for the future of Oxford United FC as well as the residents of Oxfordshire.
