I am writing as a lifelong fan and supporter of Oxford United Football Club

I have lived in Oxfordshire my whole life and football has been a very important part of that, I first started watching Oxford in the late 80s, I became a lifelong fan, attending many 100s of games since and making lifelong friendships along the way.

Football isn't just 90 minutes of kicking a ball around, it's something more, something special, it brings people together from different communities, different backgrounds and for some, it means everything.

I now take my children to home games, meeting up with other friends and their families, all going together to support our only professional local football club.

We are all in full support of the new stadium at the 'Triangle site' in Kidlington because it will protect the future of our team, our club Oxford United.

The stadium will provide an ongoing asset to the whole of Oxfordshire and something to be proud of and a family meeting place for generations to come.

This site is perfect for access to the great transport links nearby, Oxford Parkway train station and the A34, so will not be a problem for local or travelling supporters.

It also has easy access from Banbury with bus routes already in place and alternative routes via train or bus from Bicester too.

PLEASE EXCEPT THIS LETTER OF SUPPORT AND THE DECISION TO HAVE OUR NEW STADIUM AT THE TRIANGLE SITE AND URGE EVERY SINGLE CHERWELL DISTRICT COUNCILLOR TO FULLY SUPPORT THE PLANS.

Thank you

Kind regards

Chris Yates and family
