Comments	I have been an Oxford United supporter for as long as I can remember. First attending a game at The Manor. The Triangle is the only feasible home for Oxford United. Without this space, the club that makes up pretty much most of my life, will be no longer. With no home we have no club. Do what's best for the PEOPLE that care for this club. And will support it, bringing in the revenue they will to Kidlington and surrounding areas.

I need this Club to survive. Our futures depend on it.
