Comments	If this proposal goes ahead I can only see major traffic problems on the match days, to believe the fan base will travel by bus, bike, train or walk is totally unrealistic, they will arrive by car and if unable to find a close parking spot will then start to flood into Kidlington its self causing problems for the residents. this will be another part of the green belt lost to development yet again. Kidlington was a village and if this is built with the loss of the golf course as well to houses we will become an other suburban area of Oxford!
